IMPORTANT NOTE:

Due to Arrow of Light Candidates in the past not showing up for the Arrow of Light Ceremony, we have had several arrows not given out, as well as not being paid for. These are quite costly to our budget, and this will affect our overall camp expenses.

If this form is turned in, and the Arrow has been made, but the scout's family decides he will not be attending the Arrow of Light Ceremony; the family will be responsible for picking up the Arrow. If after June 1, 2010, the Arrow has not been picked up, and/or, not paid for the cost will come from the Pack's account for \$10.00 at the Scout Service Center.

When this form is turned in, we are assuming the Scout will be present for the Arrow of Light Ceremony. Please contact John Slaugh (256-3671) if any Arrow needs to be pulled, because the Scout will not be present.

We will not make any Arrows, if the Scout has no intention of picking up the Arrow at the ceremony or the Scout Office.

Thank You for your cooperation!!!

The leaders must check this scout in when arriving at the Arrow of Light Ceremony, or his name may not be called at the ceremony the evening of May 22nd, 2010.
